

āryāvarta

"my humble abode"

THE PROJECT

The location and surroundings of a project are important factors to consider when selecting a HOME with your hard earned savings. Aryavarta site is just 250 mtrs from the NH 16 having advantage of being easily accessible and well-connected to transportation networks, which will be beneficial for the inhabitants. The surrounding greenery and water body of "PURI MAIN CANAL" and the skyline view from the apartments overseeing the river "KATHAJODI" at east and "KUAKHAI" at West and the sunset along the development of Smart City, Bhubaneswar & Millennium City, Cuttack also have significant impact by enhancing the overall aesthetic appeal of the site, creating a breathtakingly attractive ambience for the inhabitants.

Unlimited moments.
Unlimied memories.
